Thank you from Alison Gill :

All of us are so blessed to be part of a great church family and it becomes even more evident when we go through rough times - that is what I have recently experienced and I know others have too, in their time of great need. I unexpectedly suffered a medical episode just over a month ago which was quite confronting for me (and my family) and I would like to say a huge thank you to everyone at St. Luke's who have prayed for me and cared for me in different ways during this time. Our Church - St Luke's is often referred to as "a special place" and it really is. It is made up ,of caring, loving people who show God's love in practice and in prayer - each and every day. Let's keep doing it - it makes a difference !

St Luke's Fellowship will meet on Wednesday 6th September in the gathering area commencing with morning tea at 9.30am. We always warmly welcome visitors

Movie : Sound of Freedom If you would like to see a movie this week , while also helping to break the silence and save children from sex trafficking, then “Sound of Freedom” is a way you

can do that. This powerful and thought provoking film is about a Federal agent rescuing a boy from ruthless child traffickers and then learning the boy’s sister is still captive. He decides to embark on a dangerous mission to save her. With time running out, he quits his job and journeys deep into the Colombian jungle, putting his life on the line to free her. Sound of Freedom is endorsed by Mel Gibson and takes you on an emotional and eye opening journey that leaves an indelible on your hart and mind. The movie is showing at Hoyts - Charlestown & Reading Charlestown and Event Kotara Cinemas.
